OPTIONS:

4 Foot Vertical

6 Foot Horizontal

OPTION, PEDESTAL:

Pedestals are a way to lift a planter to an accessible height for those who are physically challenged. For those who are limited to walkers and wheel chairs we our planters at 32" in height. Custom heights can also be ordered. There is no pedestal option for the CAFE series. The CAFE series can be made in taller custom heights.

PS, Pedestals for RollingPlanters up to 2' x 4' (Excluding CAFE series).

100

PM, Pedestals for larger planters than 2' x 4' and up to 2.5' x 6'

150

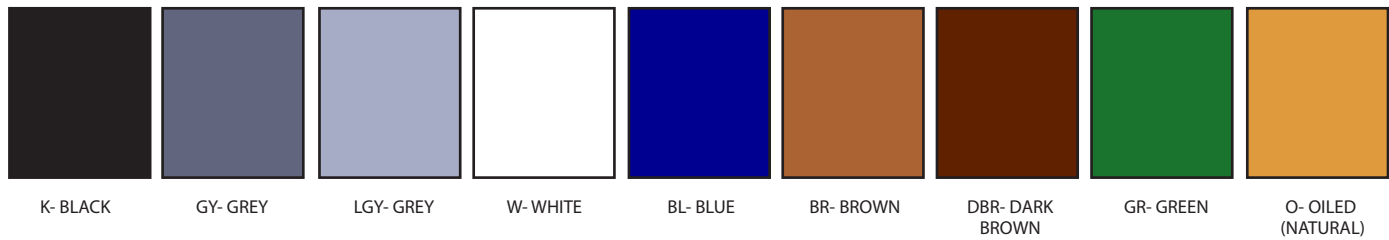

PL, Pedestals for larger planters than 2.5' x 6' and up to 2.5' x 7.5'

200

PXL, Pedestals for larger planters than 2.5' x 7.5' and up to 4' x 7.5'

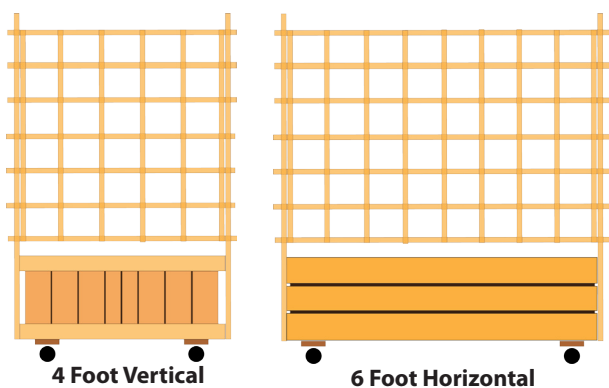

300

OPTION, STAIN (NO PAINT) Standard planters come in natural finish unless color stain option chosen.

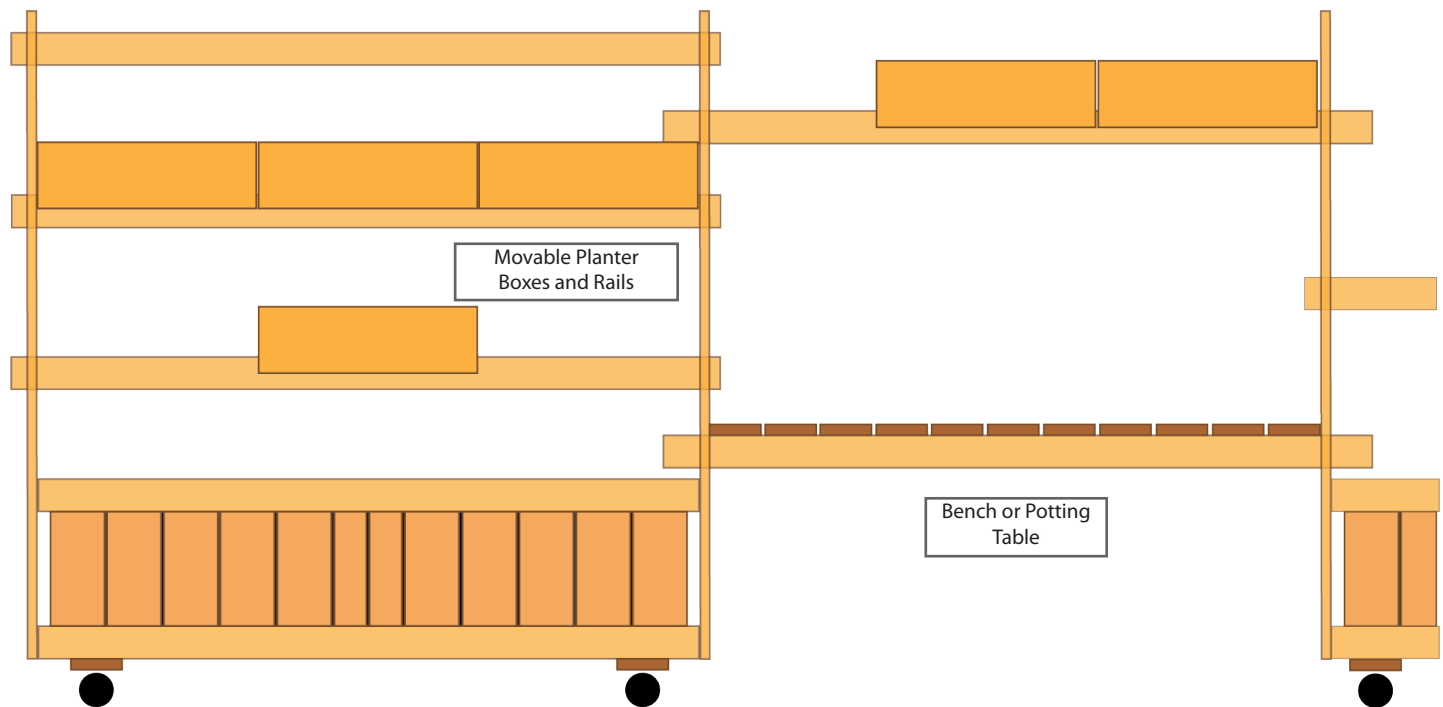

TRANSPARENT STAIN COLORS: Grey, Light Grey, Black, Dark Blue, Light Brown, Dark Brown, Dark Green and Oiled. Canola oil, boric acid and iron oxide mixture. No harmful or toxic chemicals. Naturally reduces the effects from natural elements and insects. (Swatches only approximates of transparent stain color).

STS, All Cafes and boxes up to 2' x 4'	\$30
STM, Boxes larger than 2' x 4' and under 3' x 7'	50
STL, Boxes larger than 3' x 7'	70
STT4, 4' Trellis, frame only	30
STT6, 6' Trellis, trellis, frame only	40
STVS, Vertical Support, Both 4' and 6' frame only	15
STVR, 4' and 6' Vertical Shelf and Privacy Rails, per pair	10
STVP, Vertical Shelf Planter Box, per box	6
STVB, Vertical Shelf Bench (Both Sizes), per bench (recommended for potting table)	25

OPTION, TRELLIS (Privacy Wall), (Can be mounted on all planters except CAFE and any planters over 6' in length) Trellises are made strong and are designed to handle branched as well as annual vegetable vines. Idea for roses, ivy, grapes, espalier fruit trees.... Some assembly required.

TR3, 3' x 7' Trellis	180
TR6, 6' x 7' Trellis	210
TR6, 6' x 8' Trellis	245

OPTION, VERTICAL PLANTING SYSTEM (Privacy Wall), 4' and 6' long units only. Requires vertical frame support to start. Add number of rails and desired amount/style of shelf planters. Not suitable for CAFE model planters. (Some assembly required)

VPSU, Vertical Planter Frame, Side Rail Support	\$200
VPR55, 55" Horizontal Shelf Rail or Privacy Rail (sold in pairs- for: 3' thru 4' planters)	20
VPR79, 79" Horizontal Shelf Rail or Privacy Slat (sold in pairs- for: 5' thru 6' planters)	30
VP7, 23 x 23" x 7.5" Shelf Planter Box	50
VP15, 23 x 23" x 15.5" Shelf Planter Box	78
VPB-T4, 4' Seating Bench or Potting Table	102
VPB-T6, 6' Seating Bench or Potting Table	120

OPTION, IRRIGATION FEED (Snorkel). Provides a clean channel to feed water tubes into the planter. Prevents damage to the liner and possible frame. Allows the tubes to be changed out easily without disturbing soil.

IR, Irrigation Snorkel (One size fits all planters)	25
--	-----------

OPTION, SELF WATERING SUBTERRANEAN RESERVOIR: The self watering option is an contained undersurface porous cavity. The cavity is created to allow water to be held in a reservoir. The natural capillary action of the soil delivers water into the growing medium keeping your planters consistently moist. An over flow drain is on the bottom of planter and two filling accesses are on top of box. One of the accesses is used for a water measuring mechanism. Planters over 7.5' boxes have multiple cavities units. Minor Assembly Required.

SWS, Planters up to 2' x 4'	\$45
SWM, Planters from over 2' x 4' and up to 2.5' x 6'	65
SWX, Planters from over 2.5' x 6' and up to 2.5' x 7'	75
SWXL, Planters from over 2.5' x 7' and up to 4' x 7'	90

OPTION, AQUAPONIC SOLUTION: Any planter can be made into a pond for fish, aquatic plants and other aquatic life. In order to create this environment, a rubber stopper is required to plug each drain holes. RollingPlanter can offer a floating raft system that allows for plants roots hang down and to thrive off the mineral rich water below. For more information and pricing please inquire: info@rollingplanter.com or call 805.643.5902.

STP, Stopper for drains (Many planters have more than one drain, please consult) **5**

IMPORTANT NOTES

All prices subject to change without notice, do not include shipping or sales tax and are FOB, workshop Ventura, California. There is a \$650 minimum order on all planters that are shipped LTL.*** Schools, hospitals, hotels, residents and other limited access areas incur higher shipping rates. All planters priced for commercial trade. Volume discounts are available.

* Weights provided for potential rooftop, balcony and deck installations. Prior to any rooftop, balcony or deck installation, one should consult an architect or engineer to assure the structural load capacities will support both planters and people at the same time.

** Fixed position planters with the same above designs, options and heights are available. Fixed position planters come with tall wooden sleds and plastic pads. The pads allow the planters to stay off the ground and if necessary, be moved with a lifting devices, such as a forklift or a pallet jack. They are priced the same as the mobile version.

***LTL: Less Than Truckload. It is the consolidation and shipment of larger commodities that can not be shipped by UPS or the Post Office. At the same time these commodities can not fill a 48 foot tractor truck trailer. All items are fastened on pallets and shipped on tractor trailer trucks. Shipping companies can restrict delivery to residential and limited accessible locations. It is suggested to arrange delivery to a store, shop, restaurant or stand alone commercial location.

Most planters can be made larger with the addition of custom refinements.

Comments and Inquiries are always welcomed.
